EXPERIENCE

Flutter Developer
Stealth

📅 Jan 2021 – March 2024   📍 Remote, USA, CA

- Led the development of a social news aggregation mobile application similar to Reddit, utilizing Flutter with BLoC architecture to create platform-specific UI for both Android and iOS
- Collaborated closely with the backend team to design infrastructure using gRPC, ensuring seamless integration between frontend and backend
- Collaborated with the Jigsaw team from Google on the development of a new embedded VPN solution aimed at circumventing censorship, integrating the SDK by developing native Android and iOS plugins
- Participated actively in UI/UX sessions in Figma with the design team to ensure a cohesive and user-friendly app interface.

Project Lead Developer
Pars Royal

📅 Apr 2016 – Jan 2021   📍 Remote, Iran

- Played a pivotal role in transitioning the company towards a knowledge-intensive model by developing a custom Intelligent Vehicle Routing system, fostering a culture of continuous learning and innovation
- Enhanced distributors' performance by implementing a custom Intelligent Vehicle Routing system, resulting in optimized logistics operations
- Developed a mobile solution for B2B distribution channels from scratch adopted by large-scale companies in the industry using cutting-edge technologies and adaptive UI
- Boosted efficiency for warehouse managers by creating a dedicated app for Warehouse Management and order delivery processes

Android/Java Developer
Autologica Systems Ltd.

📅 Jul 2016 – Dec 2019   📍 Remote, UK, London

- Created a feature-rich mobile application for drivers, incorporating real-time GPS tracking, card reader payments, route planning, price calculation, delay estimates, Taximeter, and custom OpenStreetMap components.

Android Developer
Fastivery Startup

📅 Sep 2015 – March 2016   📍 Remote, Iran

- Crafted two Android applications facilitating rapid grocery delivery, catering to both clients and shoppers, ensuring orders were fulfilled within an hour

Java J2EE Trainer
Fan Pardaz Higher Education Institute

📅 Apr 2007 – Nov 2010   📍 Iran

- Trained developers at major organizations including the National Iranian Oil Company (NIOPDC), Law Enforcement Force (NAJA), ICT Center of Sepah Bank, and National Iranian Oil Company (NIOC)

LIFE PHILOSOPHY

"If no one can do it, I must do it."
